🎉 Celebrating over 25 Years of the Claremont Heritage 3rd Grade Local History Program! 🏠

Dear Community Members and Valued Supporters,

We are excited to unveil our Annual Fall Fundraising Appeal, focusing this year on the **Third Grade Local History Program**. This initiative holds immense value as it empowers young minds to connect with their local heritage and build a profound appreciation for the history that has shaped our community. Since 1995, this program has been a cornerstone of education for Claremont Elementary Schools, enriching the lives of over 400 3rd graders annually.

A Legacy of Learning:

For over a quarter of a century, we have been committed to providing this invaluable program free of charge to our community's young learners. Through engaging curriculum, interactive experiences, and a hands-on approach to local history, students have been able to connect deeply with the heritage that surrounds them.

How You Can Make a Difference:

Your support is crucial to the success of this program, and we invite you to join us in contributing towards this noble cause. Your generous donations will directly fund the Third Grade Local History Program, which remains accessible to all students within the Claremont Unified School District Elementary Schools at no cost.

Why Your Contribution Matters:

By participating in this appeal, you play an instrumental role in shaping the future of Claremont. Your donations will aid in fostering a generation of young Claremont citizens who not only understand but also deeply respect and honor our rich heritage. Through engaging lessons, hands-on activities, and immersive experiences, students will be able to develop a strong connection with the history of our community.

Every Contribution Counts:

No matter the size, every contribution makes a significant impact. Whether you choose to give a little or a lot, your donation will contribute to the success and sustainability of the Third Grade Local History Program. Together, we can ensure that this program continues to thrive and inspire young minds for years to come.
